Mr. Elmer Hardy,
1414 Dandridge Ave.,
Knoxville, Tenn.

Dear Sir:

I am in receipt of your letter of Sept. 20th, asking for a try-out with The Eagles. It is impossible for us to take every rookie to Training Camp who asks for a try-out, but if you know any one who is connected with the baseball who will recommend you, I will look into your case further. You did not mention your age, what position you played, how you batted or threw.

Very truly yours,
